Paine's Celery Compound

Permanently Cures Sick and Nervous Headaches that Make Life Miserable.

Sick and nervous headaches are amongst the worst ills of life. The man or woman who is subject to headache at irregular intervals, goes through life bearing a load of misery and wretchedness that is terrible to think of. Headaches as a rule, result from a disordered condition of the nervous system. Mental excitement, loss of sleep, bodily fatigue, and disordered digestion are exciting causes. When the brain becomes tired and debilitated, the whole nervous system is weakened, and headaches result. If the liver is sluggish, the kidneys inactive, and digestion deranged, headaches invariably follow. To cure and prevent headache, the nervous system must be strengthened and vitalized. The most persistent cases of headache, nervous debility, and sleeplessness, are permanently cured by Paine's Celery Compound; it is the great reconstructive of the nervous system. Mrs. Henry Westrick, St. Clair, Mich., tells of her release from suffering as follows:— "I have been troubled with dyspepsia and sick headache for a number of years. About every week I would have a bad spell of sick headache, but since I began using Paine's Celery Compound, my dyspepsia is gone, and I do not have any more headaches. I feel better than I have for years."
